Raw Sweets

About Us

Rawsweets set up in the industrial zone of Tebourba (1H from Tunis capital), specialized in the packaging and transformation of fruits and vegetables, and mainly dates.

In order to develop this sector the enterprise in value of dates by developing the by products.

The aim is to increase in value the Tunisian dates and to guide it towards an industry of transformation in order to increase its added value.

We collaborate with farmers in order to obtain high quality products while coming up to the expectations of our clients concerning sanitary rules, the protection of the environment and the international standards, to achieve this purpose, local farmers are at the heart of our activity they benefit from training sessions about the methods of production and the selection of fruits.
